

Information Guide

Windsor's only urban saloon, featuring country at its best. Hosting the hottest live music acts and playing your country classics makes us your country destination.

We boast downtown's largest patio at a capacity of over 200, featuring a private bar, mixing lounge furniture, fireplaces and dining tables for your comfort. The indoor atmosphere transports you into the Wild West with our southern charm. Feel free to lounge at our dining tables or boot-scootin' boogie on our dancefloor all night long.

No great saloon would be complete without delicious southern smokehouse style eats and southern inspired cocktails. Tequila and draft flow a plenty behind our large indoor bar.
